PREFACE

About this course:

This is a self-study course. By studying this course, you can improve your professional/military knowledge, as well as prepare for the Navywide advancement-in-rate examination. It contains subject matter about day-to-day occupational knowledge and skill requirements and includes text, tables, and illustrations to help you understand the information. An additional important feature of this course is its references to useful information to be found in other publications. The well-prepared Sailor will take the time to look up the additional information.

Any errata for this course can be found at <https://www.advancement.cnet.navy.mil> under Products.

History of the course:

- *July 2000: Original edition released.*
- *Nov 2001: Administrative update released. Technical content was not reviewed or revised.*
- *Apr 2003: Administrative update released. Entered errata. No significant content changes were made.*
